6 Dear Sir or Madam:

5 Enclosed please find the first year-end report for the American AIDS Political Action Committee.
4 The report covers the period from 7-19-93 to 12-31-93. The origin date of 7-19-93 is the first
1 day of activity taken by our telemarketing firm on the committee's behalf.

9 We would like to request a filing change for our reporting schedule. Instead of filing quarterly
7 we will file monthly reports, beginning with the January 1994 report due on February 20, 1994.
8 Please adjust your records accordingly.

3 Sincerely yours,

2
